TEMPO DANCE COLLECTIVE | VENUE RENTAL GUIDE

# Three studios. One flexible venue.

Designed for classes, rehearsals, workshops, socials and private events.

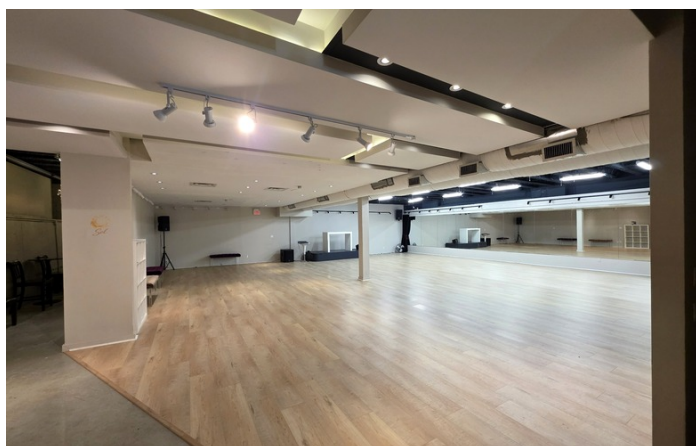

## At a glance

- SOL - 2,200 sq ft: the largest studio, with wall-to-wall mirrors, stage area, projection and event lighting.
- VIVA - 1,200 sq ft: a bright, open studio for classes, rehearsals and intimate gatherings.
- LUNA - 120 sq ft: a private mirrored room for one-on-one sessions, content creation or focused practice.
- Supporting spaces include a kitchen, bar and coat-check area, photo booth zone, changing room and separate washrooms.
- Professional sound, microphones and customizable smart lighting are available for approved bookings.

## STUDIO 01

# SOL

2,200 SQ FT | Our signature event and dance space

## Built for transformation

A spacious mirrored studio with a raised stage, mixer, microphone, multiple 12-inch speakers and an 18-inch subwoofer. Smart bulbs and programmable event lighting can be customized by colour to create the right atmosphere for classes, productions, socials and private events.

## STUDIO 02

# VIVA

1,200 SQ FT | Bright, versatile and welcoming

**BLUETOOTH SPEAKER | MIRRORS**

Open dance floor

## Made for movement

VIVA offers a clean, open floor with a full mirrored wall, warm wood finish and Bluetooth speaker - well suited to dance classes, rehearsals, workshops, auditions and smaller private sessions. Refreshment amenities are available nearby.

STUDIO 03

# LUNA

120 SQ FT | Private mirrored studio

## A focused space

- One-on-one instruction
- Private practice
- Content capture
- Small consultations or prep

# Kitchen & refreshment area

Practical support for workshops, productions and private events.

## Available features

- Refrigerator access for approved event use
- Microwave and electric kettle
- Filtered drinking water station
- Tables and seating for breaks, catering support or event preparation
- The kitchen zone may be screened with curtains to create a more private service or preparation area

# Make the venue your own

Useful spaces that help an event run smoothly.

## Bar & coat check

Optional bar service can be arranged, or the area can function as guest check-in, coat check or beverage distribution. Outside alcohol service and self-operated bars are subject to prior approval, licensing and applicable regulations.

## Photo booth zone

A dedicated open area where renters may install a freestanding backdrop, step-and-repeat banner, branded wall, balloon display or photo booth equipment.

## Hallway & guest flow

A long internal hallway connects the kitchen, studios and supporting areas. Its open sightline helps guests navigate the venue and gives event teams useful circulation space.

## ARRIVAL

# Finding the main entrance

Look for Tempo's illuminated red-and-gold storefront signage.

## Main entrance route

- Enter through the Tempo storefront entrance shown above.
- Continue through the long, illuminated entrance hallway to reach the venue level.
- The hallway's chandelier, warm accent lighting and clean architectural lines create a distinctive arrival experience.
- The clear Tempo signage helps guests identify the correct entrance from the street.

# Street-level event access

A direct, step-free rear entrance for convenient guest access and event load-in.

## Venue amenities

- Street-level rear entrance with no stairs
- Convenient route for approved load-in and event operations
- Separate women's and men's washrooms
- Changing room and coat-check capability
- Kitchen, filtered water and refreshment support

**Practical support for every booking.**
